

- 1. Cut along the solid line, it doesn't need to be perfect but try to save the bits with the holes!**
- 2. Fold the paper along the dashed lines. Push hard on the folds, it will make it easier to build later.**
- 3. Punch a hole in the red circle, the hole need to be big enough to thread a ribbon through it.**

- 4. Thread the ribbon in all the holes**
- 5. Pull the ribbon tightly and make a knot with the other end, this will be the loop you can use to hang it on the tree.**
- 6. Time to decorate your house with art!**
